Correction: After the pandemic: the global seafood trade market forecasts in 2030

Chunzhu Wei, Mo Zhang, Wei Chen, Yong Ge, Daoping Wang, Die Zhang, Desheng Xue, Qiuming Cheng, Changxiu Cheng & Wenguang Zhang

Correction to: Humanities and Social Sciences Communication https://doi.org/10.1057/s41599-023-02070-6, published online 15 September 2023.

Two errors have been corrected in this paper. First, affiliations for Yong Ge have been corrected to additionally include: Southern Marine Science and Engineering Guangdong Laboratory (Zhuhai), 519080, Zhuhai, China.

Second, the acknowledgements originally read:

The research was funded by the National Nature Science Foundation of China (No. 42001178 and No. 41930646) and was supported by the Innovation Project of LREIS (No. KPI004).

It now reads:

This research was financially supported by the Innovation Group Project of Southern Marine Science and Engineering Guangdong Laboratory (Zhuhai) (No. 3110202018), the Innovation Project of LREIS (No. KPI004), and the National Nature Science Foundation of China (No. 42001178 and No. 41930646).
